Planning ♦ Building ♦ Code Enforcement

TOUCHTONE PERMITS GUIDE

Welcome to Victorville's *Touchtone Permits*

The City of Victorville Development Department is pleased to present *Touchtone Permits*, an automated telephone service designed to facilitate the building inspection process. Using *Touchtone Permits* you can **check plan review status, schedule inspections, cancel inspections, reschedule inspections, retrieve inspection results, and receive automatic notification of inspection results.** Best yet, *Touchtone Permits* is available 24 hours a day, 7 days a week!

Touchtone Permits Hotline (760) 955-5103

The Touchtone Permits system will prompt you through each step during your call. You may perform multiple transactions during each call. At the conclusion of your call you will receive a confirmation number which you may use when inquiring about this telephone request. Additionally, you may press '#' at any time to return to the main menu, or '0' to transfer to a live staff member (during normal City Hall hours).

Before Calling You Will Need:

- 1) A touchtone telephone
- 2) A site-specific permit number
- 3) An inspection code (please refer to **Inspection Codes** list)

Choose From The Following Options:

- Press '1' Schedule an inspection
Press '2' Cancel an inspection
Press '3' Obtain inspection results or receive a faxed inspection history
Press '4' Obtain plan review information
Press '0' Transfer to staff

Obtain Plan Review Information:

- 1) Enter the permit type
- 2) Enter the permit number followed by '#'
- 3) Choose to have the plan review detail spoken or to receive a fax of the plan review detail
- 4) To receive a fax of your plan review detail, enter your ten digit fax number

Schedule an Inspection:

- 1) Enter the permit type
- 2) Enter the 7-digit permit number followed by '#' (the *Touchtone Permits* system will confirm the permit by reading back both the permit number and the address)
- 3) Enter the inspection code (please refer to **Inspection Codes** list)
- 4) Enter the requested inspection date
- 5) Enter the time preference for either AM or PM (all inspections must be called in to the *Touchtone Permits* system before 12:00am on the requested date of inspection; all inspections called in after 12:00am will be scheduled for a later date)
- 6) Choose whether or not to leave a voice message for the inspector
- 7) Choose whether or not to receive automatic notification of the inspection result

Cancel an Inspection:

- 1) Enter the permit type
- 2) Enter the permit number followed by '#'
- 3) Enter the inspection code (please refer to **Inspection Codes** list)
- 4) Choose to cancel the inspection, reschedule the inspection, or leave the inspection as scheduled (all canceled or rescheduled inspections must be called in to the *Touchtone Permits* system before 12:00am on the day of the inspection)
- 5) If you choose to reschedule, choose the date and time preference (AM or PM) and whether or not to leave a message for the inspector

Obtain Inspection Results or Receive a Faxed Inspection History:

- 1) Enter the permit type
- 2) Enter the permit number followed by '#'.
- 3) Enter the inspection code (please refer to **Inspection Codes** list)
- 4) Choose whether you would prefer to hear the inspection results over the phone, or receive a fax of your inspection history
- 5) To hear results of a specific inspection, enter the inspection code (please refer to **Inspection Codes** list)
- 6) To receive a faxed inspection history, enter your ten digit fax number
