

U.S Citizenship Development Classes

The HDHCCF has established a Citizenship Development Program designed for citizenship progression that will provide the opportunity for students at the end of the program to apply and be successful in obtaining U.S. Citizenship status.

The HDHCCF is initiating this program under the Naturalization Guide presented by NALEO and sponsored by State Farm Insurance Companies.

The HDHCCF Citizenship Development Program will be designed with each student in mind. The program will be geared towards developing the following:

- An understanding of the English language, including the ability to read, write and speak simple words or phrases in ordinary usage in the English language.
- A knowledge and understanding of the fundamentals of the history, and of the principles of US Government.
